MARTIN THOMPSON
JOINERY
ESTD. 1983

Martin Thompson Joinery was setup in 1983 by Martin Thompson (who still plays an active role within the company) and has expanded steadily over the years to offer a range of services including, complete bespoke kitchens, kitchen refurbishments, fitted and sliding wardrobes and of course all types of bespoke joinery including, sash windows, doors, gates and stairs. Many of our products are manufactured in our own factory using state of the art CNC machinery. All of our joinery products are hand crafted using traditional woodworking methods and techniques. Sitting alongside our factory is our showroom which showcases our kitchens, fitted wardrobes and sliding wardrobes. All of our installations are carried out by our own skilled fitters and not sub-contractors. To book your visit to our showroom or to arrange a free quotation please contact us on: 01733 844292.
